The health and safety of our campers, families, staff, and guests remains our top priority. Additional details regarding health protocols, financial policies, and other information regarding Summer Camp 2021 will be uploaded on our website at www.crossroadsretreat.com/summer-programs.

Our staff continues to work with other summer camp professionals from the American Camp Association, Lutheran Outdoor Ministries Network, and Episcopal Camps and Conference Centers, as well as local and federal health organizations to create policies and procedures to host safe and fun summer camp programs. We are confident that campers and families will enjoy their time at Cross Roads while staying safe.
